

The Energy of Conversation

Corporate and Personal Development

The Energy of Conversation Ltd is a company dedicated to learning & improvement and provides the following corporate services:

- **1:1 coaching**
- **Group Coaching (Workshops)**
- **Facilitation (Meetings / Events)**
- **The Architects of Communication course**
- **The "Practical Leadership" Programme for managers:**

The Practical Leadership programme is a unique blend of coaching and training and is modelled on a paper endorsed by Lancaster University:

"This approach to leadership and team working is an outstanding example of an approach that can make a difference. During difficult times, this is what is needed."
Prof Cary Cooper, Distinguished Professor of Lancaster University Management School

When investing in coaching or training through The Energy of Conversation, you have the following assurances about its managing director, David Finney:

- A highly experienced manager and accredited trainer
- Working knowledge of ISO 9001, 20252, 27001 & DPA
- Discretion & confidentiality, registered for data protection
- A fully qualified corporate & personal coach with 2 diplomas
- Authorised by Sir John Whitmore to train the "GROW" Model
- Experience in large-scale government/social research projects

A selection of client testimonials

"When it comes to coaching, David is a natural. He guides, inspires and empowers in a way that gets results"

"David is a highly skilled coach and trainer, not just on the coaching skills but on the psychological and social aspects of the individual"

"As a coach David is an asset to any corporation or practice. Investing would enable the business to have a valuable return in its investment for its employees and associates"

"The Workshops were thoroughly prepared, tailored precisely to our needs. In summary a highly successful & motivating experience"

"I'd highly recommend working with David as a coach, as he has proven through feedback, that he gets great results."
